Management verifications in Interreg

Who is it for?

How it will look like?

Why this approach?

Acquire knowledge of MV basis at your own pace

Discuss and work on practical issues with peers

Share the results of your work

Group work

- My name is Astrid
- I just started working at Regional Development Agency responsible for Control function in Lemuria
- I am confused with what to start?
- Prepare a list of topics I need to start to get acquainted with my job.

Floor is open for discussion

Thank you for
being here!
