

Keep.eu for Audit Authorities

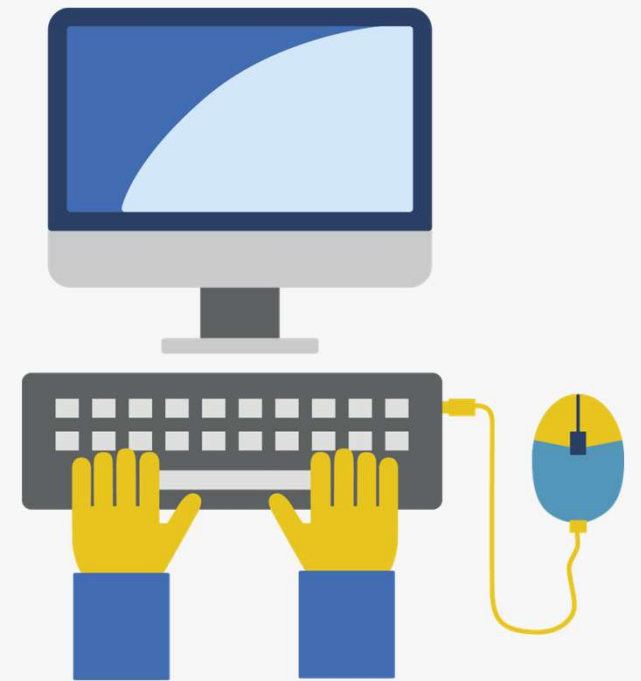

Keep.eu for auditing purposes

- [Keep.eu](#) is a living repository of Interreg data (4 programming periods)
- [Keep.eu](#) is a tool to find information on project outputs and can be used for the audit of operations
- [Keep.eu](#) has also been a tool to notice fraud

How to make that happen?

A demonstration

Go to keep.eu

On the keep.eu webpage top center, click on
Projects and documents

ome / Projects and documents

Search for projects and their documents

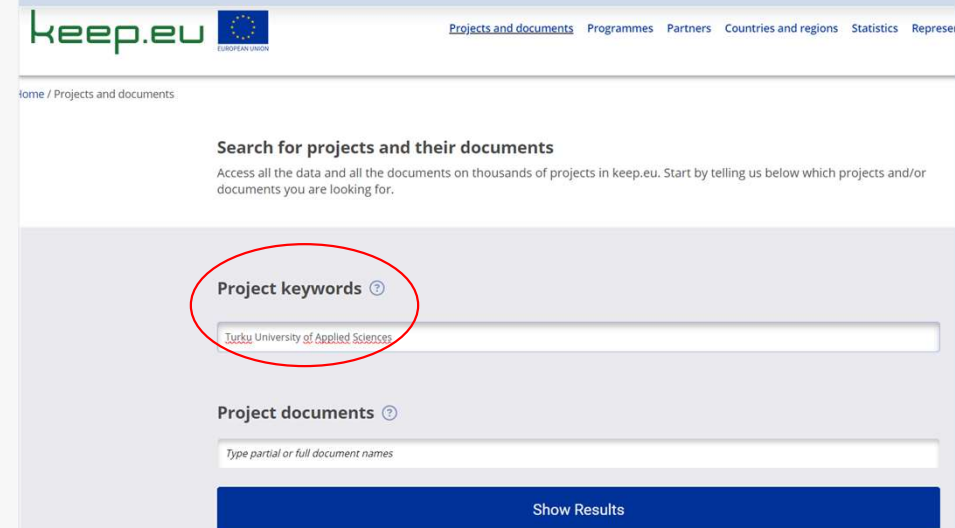

Access all the data and all the documents on thousands of projects and documents you are looking for.

Project keywords

Type keywords for search in text fields

Insert the name of the partner you are looking for

Insert the name of the partner you are looking for on the project keywords field e.g. Turku University of Applied Sciences and click on *Show Results*

The screenshot shows the keep.eu website with the European Union flag. The navigation bar includes links for Projects and documents, Programmes, Partners, Countries and regions, Statistics, and Representation. The main heading is 'Search for projects and their documents', followed by a subtext: 'Access all the data and all the documents on thousands of projects in keep.eu. Start by telling us below which projects and/or documents you are looking for.' There are two search input fields: 'Project keywords' and 'Project documents'. The 'Project keywords' field contains the text 'Turku University of Applied Sciences' and is circled in red. Below the input fields is a blue button labeled 'Show Results'.

Modify the search

Here is the summary of the search. It shows how many projects the partner has participated in, how many documents/material the partner has produced and what kind of materials, also how many partners they have cooperated with and how many programmes have financed them. If you need to refine your search, click on modify the search.

The screenshot shows the keep.eu website interface. At the top, there is a navigation bar with links: About keep.eu, FAQ, Languages, and News and updates. Below this is the keep.eu logo and the European Union flag. On the right, there is a link for Projects and documents. The main content area shows the search results for 'Turku University of Applied sciences'. A red circle highlights the 'Modify search' button, which is a yellow square with a magnifying glass icon and the text 'Modify search'. Below the button, there is a summary of search results showing 41 projects, 237 documents, 208 partners, 267 partnerships, and 7 programmes. There are also buttons for 'Export all project data from your search results to Excel' and 'Export list of all documents'. At the bottom, there is a section for 'Summary of search options (1)' with a dropdown arrow and a filter for 'Selected project keywords field' set to 'Turku University of Applied sciences'.

Summary of search options (1) ^

Selected project keywords field Filters:

Turku University of Applied sciences

Filters to narrow down the search

Check out the filters available and select the ones you need e.g. funding -> projects from programming periods -> 2014-2020 and click on show results.

The screenshot displays the keep.eu search interface. On the left, a sidebar contains filters for 'Funding' and 'Thematic focus'. Under 'Funding', the 'Projects from programming periods' filter is selected, and a dropdown menu is open showing options: 2021-2027, 2014-2020 (which is checked and circled in red), 2007-2013, and 2000-2006. Below the filters are buttons for 'Show results' and 'Reset All Filters'. On the right, the main content area shows search results, including a project titled '2021 - 2027 Interreg VI-A Finland-Estonia-Latvia-Swede...' and another titled '2014 - 2020 INTERREG V-A Finland - Estonia - Latvia - Sw...'. At the top right, there are two green buttons for exporting data to Excel.

Export your data in excel

Once you are satisfied with you search export all your project data and/or the list of all documents available to excel.
