7 November 2024

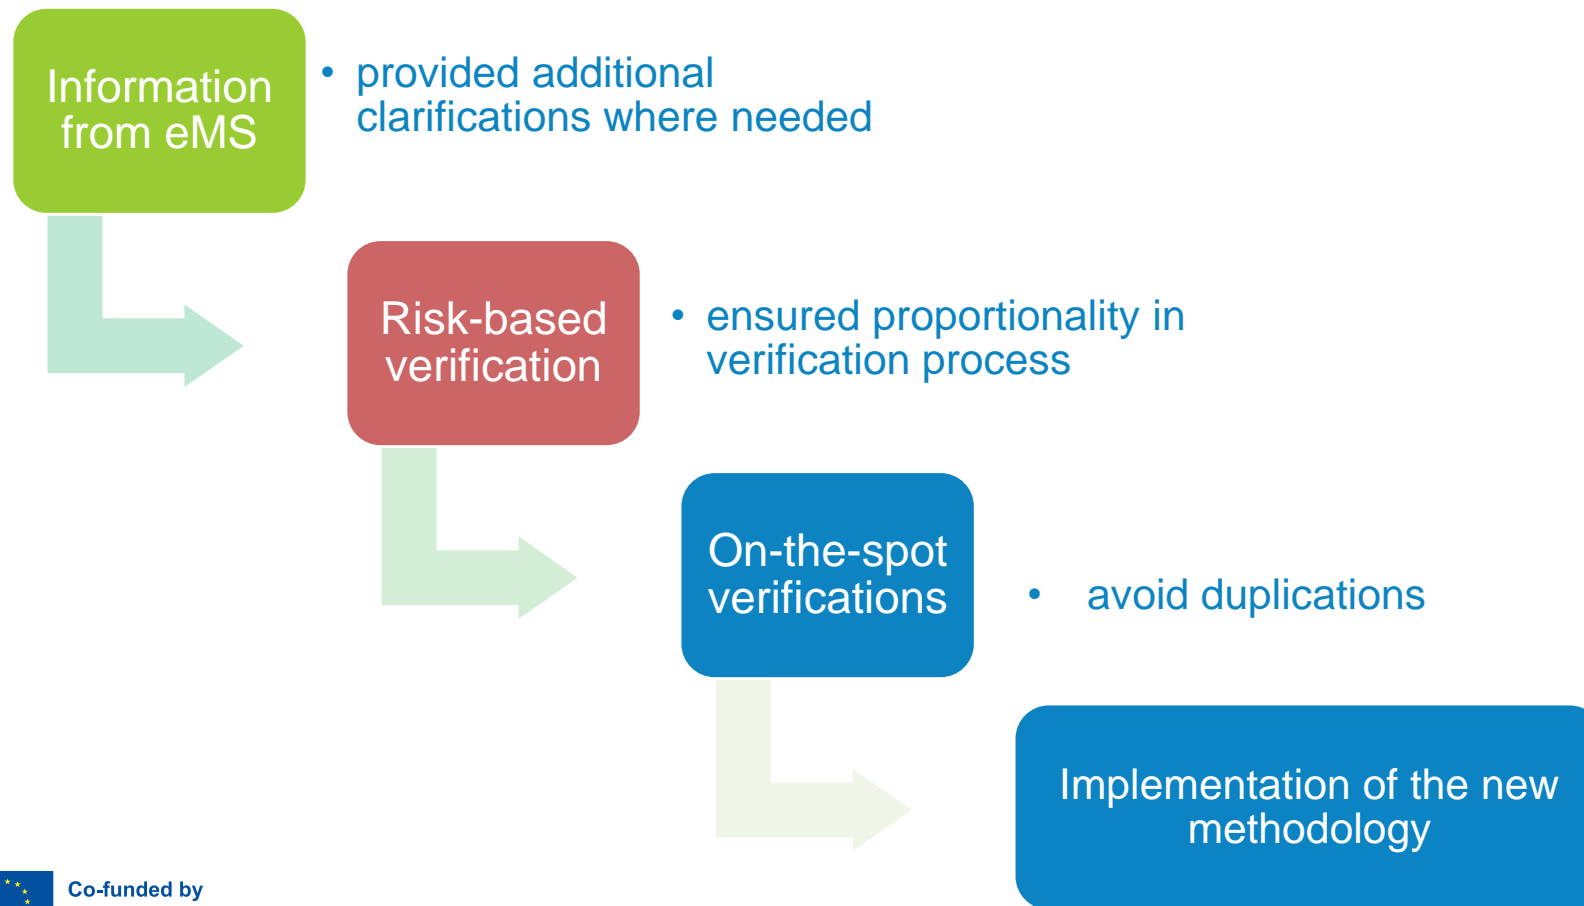

# Cooperation and communication

- Monthly meetings: MA-JS-CBs-AA-NAs
- Extra meetings

# Collaborative development of the methodology

# Implementation of the RBMV

- Roles and responsibilities
- Shared accountability
- Review of findings

# Review of problems/questions

Cost category	Description of the problem	Possible solution	Comments	Decision
Reports	Partner reports with small costs	Add in guideline that it is okay to submit report with 0 costs and add the costs in the next report (if financially possible) - to reduce time for all parties	Jems help articles can be modified accordingly. Although it remains as recommendation and not as instruction as we don't have defined how big is minimum cost that is okay to add to partner report and below that 0 cost report should be submitted instead.	Revision of the Jems Guidelines and Programme Manual.

# Next steps

- Continuous methodology review:
  - ✓ learning from errors/problems
  - ✓ joint approach to problem-solving
  - ✓ regular meetings
