Figure 2
Complementarity of programmes

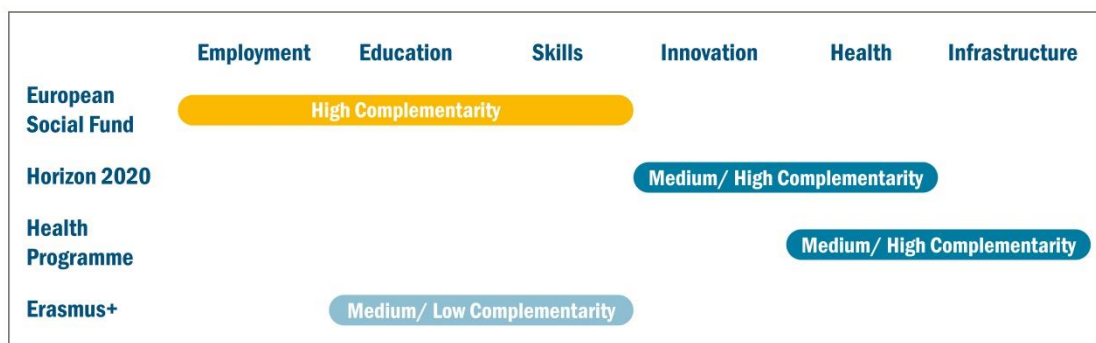

Figure 3

Complementarity of programmes

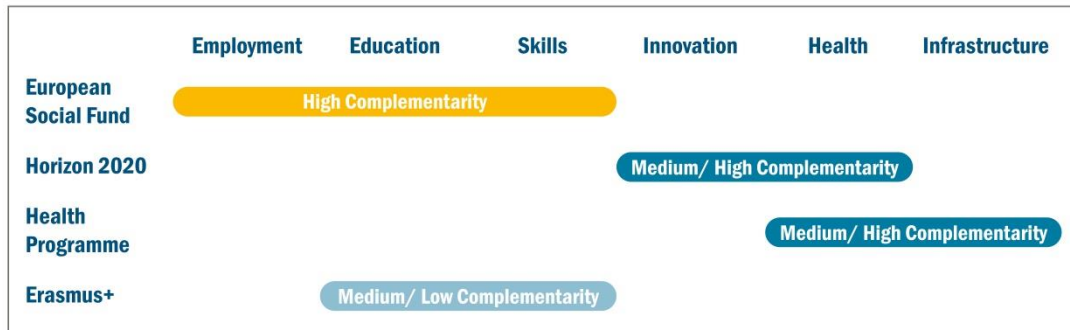

Table 1

Relation between identified clusters and potential funding through other streams

Cluster	Most related INTERREG theme	Most related programme (non-INTERREG)
 1. Silver economy enterprise support	<ul style="list-style-type: none"> Enhancing the competitiveness of SMEs 	ESF
 2. Active ageing and social inclusion	<ul style="list-style-type: none"> Promoting sustainable and quality employment and supporting labour mobility. Promoting social inclusion, combatting poverty and any discrimination 	ESF, Erasmus+
 3. Innovative solutions for the elderly	<ul style="list-style-type: none"> Strengthening research, technological development and innovation. 	Horizon 2020
 4. Healthcare professional skills	<ul style="list-style-type: none"> Investing in education, training and vocational training for skills and lifelong learning by developing education and training infrastructure 	ESF, Health Programme, Erasmus+
 5. Disease prevention and diagnostics	<ul style="list-style-type: none"> Strengthening research, technological development and innovation Enhancing institutional capacity of public authorities and stakeholders and efficient public administration through actions to strengthen the institutional capacity and the efficiency of public administrations and public services related to the implementation of the ERDF, and in support of actions under the ESF to strengthen the institutional capacity and the efficiency of public administration. 	Health Programme

Table 2

Vulnerable groups/minorities specifically targeted in the projects

Vulnerable group/minority	Percentage of projects
People at risk of social exclusion	27%
People living in rural and/or peripheral areas	27%
People with severe mental illness	22%
Unemployed people	8%
People with disabilities	7%
People at risk of poverty and social exclusion	5%
People at risk of poverty	2%
People with low educational level	1%
Women	1%

Figure 1

Overview of the most relevant EU Funds

Programme (2014-20 / 2021 - 27)	EU Fund	Scope	Theme
Interreg	European Regional Development Fund	Territorial NUTS 2 and NUTS 3 30 countries (Eu 27, CH, GB, NO)	European territorial cooperation
ESF / ESF +	European Social Fund	Individual 28 countries (EU 27, GB)	Employment Education Public Services
Horizon 2020 / Horizon Europe	Horizon Europe	Scientists, researchers and businesses 44 countries (EU 27, AL, AM, BA, CH,FO, GE, GB, IS, IL, MD, ME, MK, NO, RS, TN, TR, UA)	Research Innovation
3rd Health Programme / EU4Health	Health Fund	Public institutions, health organisations and NGOs 28 countries (EU 27, GB)	Health
Erasmus+	Erasmus+	Individual Organisations 34 countries (EU 27, GB, IS, LI, MK, NO, RS, TR)	Education Youth Sport

Table 3
Benchmarking exercise

Project typology in the value chain	what can be financed by each programme	Complementarity potential	Themes	Funding Source
<ul style="list-style-type: none"> • Training projects • Social inclusion projects • Focus on improving quality of life of beneficiaries 	<p>Through training of health professionals and improvement of SME competitiveness, ESF+ offers high complementarity with many healthy and active ageing projects financed by Interreg.</p> <p>There is an important focus on vulnerable groups.</p>	High	<ul style="list-style-type: none"> • Employment • Education • Skills 	<p>ESF</p> <p>European Social Fund</p>
<ul style="list-style-type: none"> • Research projects • Technological innovation • Transfer of knowledge 	<p>Research and innovation component of healthy and active ageing is very present.</p> <p>This offers numerous project chain possibilities with Interreg in terms of healthy and active ageing.</p>	Medium/High	<ul style="list-style-type: none"> • Innovation • Health 	<p>Horizon 2020</p>
<ul style="list-style-type: none"> • Health related projects • Disease prevention • Improving delivery of care 	<p>EU Health Programme promotes well-being for all people of all ages, and where people can live, work and age in sustainable and healthy environments.</p> <p>The health component for the elderly is clear, although the active and more social part to ageing is not so evident.</p>	Medium/Low	<ul style="list-style-type: none"> • Health • Infrastructure 	<p>Health Programme</p>
<ul style="list-style-type: none"> • Adult training • Lifelong learning projects 	<p>Erasmus+ supports education, training, youth and sport in Europe. This programme has a Rrelevant focus on active ageing projects in terms of encouraging employment, although not concerning health.</p>	Medium/Low	<ul style="list-style-type: none"> • Education • Skills 	<p>Erasmus+</p>

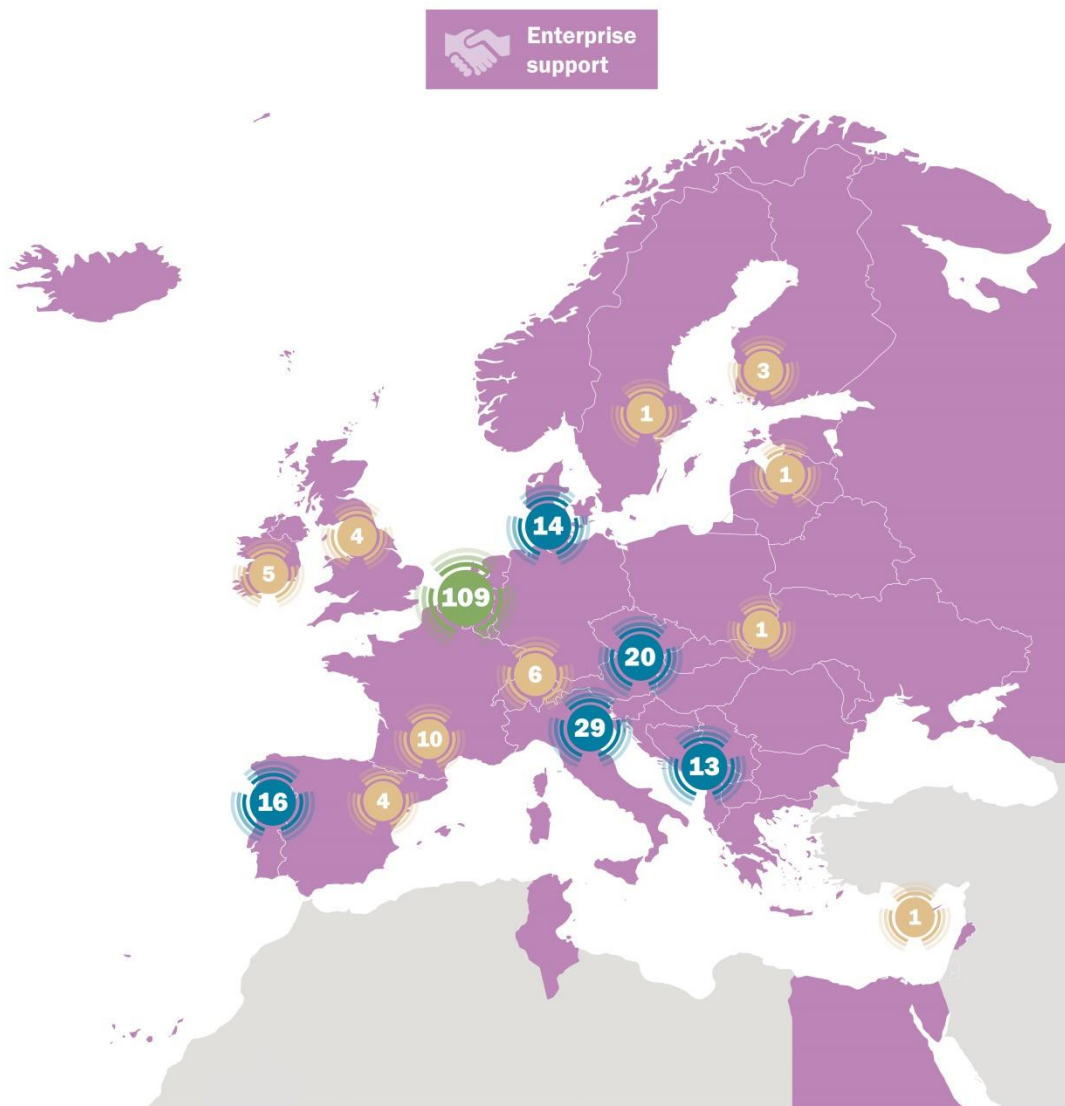

Figure 1
Distribution of project-partners

Note: the number of project partners is based on the number of projects and the total number of partner organisations involved.

This means that some partner organisations that have participated in multiple projects are counted individually in this overview.

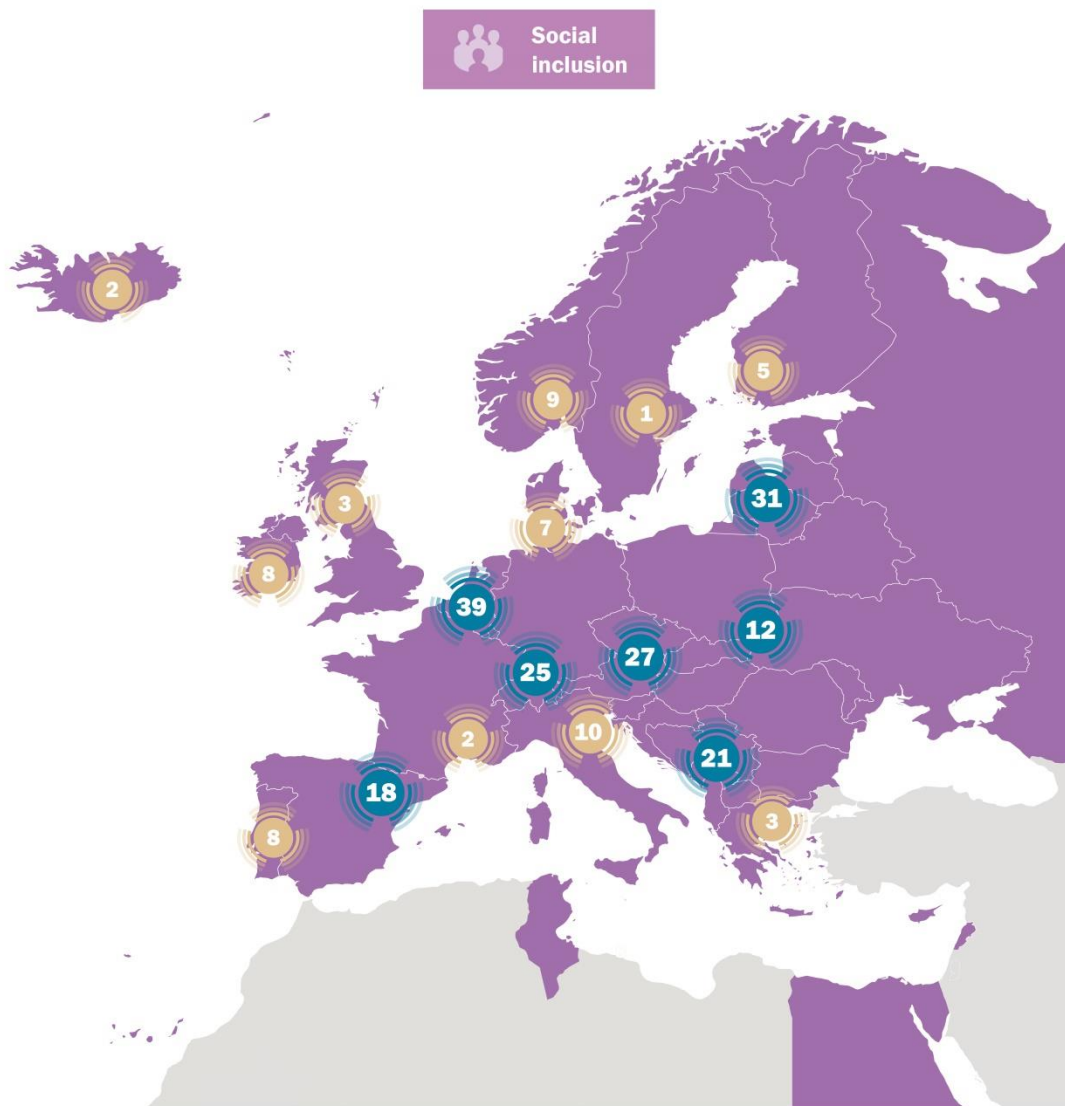

Figure 2
Distribution of project-partners - Cluster 1

Note: the number of project partners is based on the number of projects and the total number of partner organisations involved.

This means that some partner organisations that have participated in multiple projects are counted individually in this overview.
