# Exchange
# Main challenges when working on Jems

**Discuss general experience with Jems**

\- What worked well

\- What solution did you find to the challenges you faced (e.g., legal issues, monitoring issues etc. think more broadly than only MS).

**This should be place where you find all answers to operational issues, not only Jems!**

# World Café (incl. break)

**Goal:** Sharing experience among programmes related to the topic. Possibility to get information on best practice.

**20min x 3 rounds**

**Four Café corners**

- Technical isues (API, eID, plugins)
- Project reporting and MA/JS verification
- Payments (FTLS, Advances, regular payments to projects)
- Reporting to EC, Corrections

# **Programme** Developments
